### Overview

This bill modifies provisions on disability parking and related signs.

#### Section

- 1 Prohibitions.** Prohibits parking in the access aisle for a disability parking spot.
- 2 Disability parking when designated spaces occupied or unavailable.** Permits a vehicle that has disability plates or a certificate to be parked in manner that takes up two parking spaces when other designated disability parking is unavailable.
- 3 Disability parking space signs.** Requires, in the regulations on signage for disability parking, that the parking signs be non-moveable, which would no longer allow a sign that is moveable by authorized personnel.
